Solid wood bed frame Moon

The high-quality Hüsler Nest Moon bed frame allows optimised design freedom. As part of the Swiss manufacturer's unique natural bed system, this product also offers uncompromising quality, durability and a customisable design. The shapes are modern, simple and elegant at the same time. The Hüsler Nest Moon bed frame blends harmoniously into the contemporary bedroom ambience and boasts a stylish, sophisticated appearance.

The Hüsler Nest Moon bed frame is made from natural solid wood. The warm radiance of the natural wood creates a good room climate and optimises the feeling of comfort when relaxing and resting. The solid wood is also easy to care for, resistant and particularly robust. The natural material ensures that the bed frame is stable and robust. structure of the bed frame.

The side panels can be lacquered in the desired colour or manufactured in the solid version. For the solid side panels, you can choose from wild oak, core beech, natural oiled oak, white oiled oak and american walnut.
